

Traceability and Chain of Custody

Annual royalties price list

Applies to new contracts only. All amounts are annual royalties in EUR. VAT is excluded and will be added where applicable.

Audit costs are not included. They may be quoted separately on request.

Revenue: total company revenue in the previous year.

Proposed scope for quotation: Products and materials covered by traceability and chain-of-custody controls, from raw materials to finished products.

Producers and own-brand contract manufacturers

Products/species: products from the same species are grouped across sizes, packaging and brands. For non-species-based products, the pricing units and grouping must be specified in the quotation.
